# Thank You For My Life

Thanks to Terry Fox and generous Terry Foxers like you, I have my leg and I have my life.

In 2010, at age 11, I was diagnosed with Osteosarcoma, the same cancer as Terry, after my leg shattered on the soccer field. My world collapsed in an instant but thanks to Terry the course of cancer is changing, giving me the chance to rebuild. He ran to raise money for research, hoping that it

would provide new treatments to reduce the painful effects of cancer and lead to a cure.

In Terry's day I would have lost my leg and probably my life. Today, thanks to his vision, I have hope. I have my leg. I have my life. Terry's dream is now my dream: a cure for all cancers. I urge you to join my dream and fundraise for cancer research today.

## Collect Pledges

Be sure to complement your pledge sheet donations by collecting pledges online at [terryfox.org](http://terryfox.org).

It's an ideal way to contact people that are far away or prefer to use their credit card for donations.

As well, use our phone app for iPhone and Android and fundraise on the go!

Just visit the iTunes store (Apple) or Market (Android) to download.

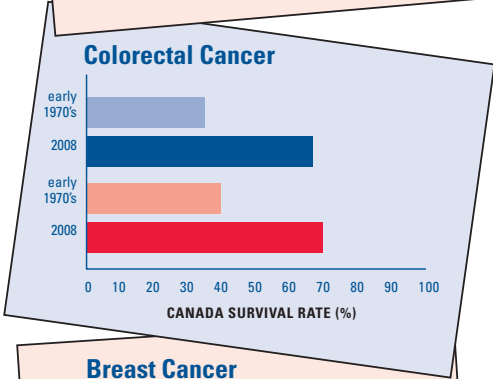

## Matching Donations

One of the easiest ways to increase your fundraising total is to have your employer match your donations. Inquire with your Human Resources department to see if your company has this type of giving in place.

Even if your organization doesn't have it, ask to see if they have provisions to provide a donation. Be sure to add it to your pledge sheet so that they receive a tax receipt.

IT NEVER HURTS TO ASK!
