

The Rotary Club of North Vancouver

Wheels Squeals

Monday, Dec. 21, 2009

Joy manned the front desk and displayed her wonderful math skills, while Santa welcomed everyone with a "Ho, Ho, Ho." Santa was looking quite thin, likely because he has been able to run around so well – since his recovery from his surgery is going incredibly! YAY, President Norman!!!!!!!!!!!!

We sang O'Canada wonderfully, as always....but the waiting choir out in the hall may have thought differently. Hee Hee.

There were a LOT of guests. Practically everyone brought their spouse and it was really nice to see everyone again. At my table we certainly had a very fun time, as I am sure was the same at the rest of the tables.

Announcements:

- Next meeting is January 11 – Third World Eye Care Society Mission to Vietnam, A Documentary – Dr. Marina Roma-March
- January 25 will be the Robbie Burns night, so bring out the spouses for some haggis

Then we played a fun picture game. I sucked at it, but my mom rocked it!

Program: **Argyle Alumni Choir**

They were AMAZING!!!!!!!!!!!!!!!!!!!!!! Loved it! Loved it! Loved it!

Following the choir we socialized and closed things off with a toast to Rotary International and with the 4-Way Test.

HAPPY HOLIDAYS!!!!!!!!!!!!!!!!!!!!!!
