

# THE ROTARY CLUB OF NORTH VANCOUVER WHEEL SQUEALS

May 3rd, 2010

by *Bryan Chalmers*

Norman Thomson kept us on key as he led the singing of O Canada.

David Spears did the Invocation and included a reference to the quality of the GSE group that was here last week.

Bud Fast, as Sergeant At Arms, had an easy time this week! This was due to the fact that most people were caught watching the Canucks game during both the Invocation and the singing of O Canada.

## **President Norman Thomson Announcements:**

- Extra funds have been allocated to a Sit-Ski and for an additional student to attend RYLA
- The Tanzania container has been delivered, but is waiting for a bond. This requires a local Rotary Club involvement in order to get it out of holding.
- Some discussion was held on the tasks for the upcoming Duck Splash, including:
  - Setting up the committees earlier.
  - Deciding beneficiaries as soon as possible. In previous years the two prime beneficiaries were Lions Gate Hospital & North Shore Rescue.

Fred reported that the little animals hiding in burrows around the traffic circle have been nibbling on the bulbs that were planted last year.

## **Adjournment:**

Bob McKilligan gave the toast to Rotary International and the meeting was adjourned.

---

### **Future Meetings / Key Dates**
