

THE ROTARY CLUB OF NORTH VANCOUVER **WHEEL SQUEALS**

December 10th 2012
Created by Bud Fast

For those who were unable to attend our Dec 10th meeting, we missed you and you missed an opportunity to see Rotary alive and well at our Annual General Meeting.

Annual General Meeting

Official minutes of the AGM will be sent to members in an e-mail from secretary Deborah Sommerfeld. However, we can report that the club is well on its way to having a full slate of officers to guide us during our next Rotary year.

Attendance

Deborah reported our attendance record. Although far from stellar, it looks as if we will meet the minimum RI attendance requirements. However, we should try to step it up a notch.

Members were reminded that, in regards to attendance, all Rotary work done outside of weekly meetings counts as attendance. Please let Deborah know when this happens.

Guests

Welcome to the 2 guests at our meeting - Bamishe Davies G, marketing executive of SEO Mediamarketing and a potential new member, and our own delightful exchange student Flavia Petri.

Smoked Salmon Sales

Thanks to Fred Sverre's initiative smoked salmon is here and available for sale. They make great Xmas gifts and a tasty treat at home. Fred, save four sides for me.

Operation Red Nose

As you know ORN is full swing. David Spears reported the last Saturday run netted 25 rides and \$700.00 in donations

RCNV Xmas meeting

Next week. Don't miss it. It's always a special evening to bring your partner.

Don't forget to let President Wendy know how many will attend. She will need this information for Cheers
