

# THE ROTARY CLUB OF NORTH VANCOUVER

## WHEEL SQUEALS

June 17, 2013

by Michael Schelhaas

John Stuart collected our meal fees and our membership dues. Norman Thomson led us in O Canada. Bob Nowell gave the invocation. President Wendy presided over her last full meeting as our ruler this evening.

General.....

President Wendy still does not know how to ring the bell after 51 weeks (writer's opinion). David Spears has storage issues with his kayak. Deborah arrived in fashion in her usual manner....nudge, nudge. Fourteen Rotarians made the evening.

Announcements:

- David Spears attended the Windsor Secondary School grad ceremony and, on behalf of the Club, presented a scholarship to Brittany McCallum. There were 123 graduating students.
- 12 Rotarians were out for a general maintenance session at the Rotary Circle on Saturday. Fred Sverre, David Spears and John Stuart attended from our Club.
- Salmon will be available for those who would prefer it at our dinner meetings at the North Shore Winter Club. Please state your preference when you pay your dinner fee.
- Daniel Tardif and Terry McGauley are still in talks with Khayanga Wasike regarding the Kenya water project and assured us that things are progressing.

### Happy's and Sad's:

- Norman went singing
- Neil C went flying
- Alec went golfing
- Fred went weeding with John and David
- Bud went babysitting
- Alec and Neil C celebrated their arrival on earth on the weekend

### Speaker:

Bob McKilligan gave us a very informative reality check about heart attacks, including signs and prevention and, most importantly, what TO DO and look for when having a heart attack.

Fred Sverre graciously thanked our speaker.

President Wendy shut the evening down with a toast to Rotary International and the 4-Way Test.
